2 INTRODUCTION

3 A total amount of \$5,100,000.00 of investment funds was paid by investors including
 4 PLAINTIFFS STEVE TRACHSEL, SUN CITY TOWERS, LLC, THOMAS CIRRITO,
 5 ATOCHA LAND, LLC, CIRRITO HOLDINGS, LLC, and MICHAEL CIRRITO (“Plaintiffs”),
 6 to DEFENDANTS RONALD BUCHHOLZ, CHARICE FISCHER, RDB DEVELOPMENT,
 7 LLC, SOLOMON CAPITAL, INC., JONATHON VENTO, GRACE CAPITAL, LLC, dba
 8 GRACE COMMUNITIES, DONALD ZELEZNAK, Z-LOFTS, LLC, ZELEZNAK PROPERTY
 9 MANAGEMENT, LLC dba KELLER WILLIAMS REALTY, and KELLER WILLIAMS
 10 REALTY, INC. (“Defendants”). Plaintiffs are entitled to the return of these investment funds,
 11 plus costs, interest, and attorney’s fees, based on Plaintiffs’ claims for the rescission of
 12 investment contracts and payments that Defendants procured by way of a “pump and dump”
 13 investment scheme.

14 Plaintiffs now seek to attach the personal property and real property of Defendants
 15 BUCHHOLZ and FISCHER, and the corporate property of Defendants RDB DEVELOPMENT
 16 and SOLOMON CAPITAL, INC. to allow recovery on Plaintiffs’ complaint previously filed with
 17 this Court. Because Plaintiffs have complied with the statutory requirements to obtain a writ of
 18 attachment and, as set forth below, have demonstrated the probable validity of their rescission
 19 claims, as well as other claims set forth in the complaint, this Court should issue a Right to Attach
 20 Order and Order for Issuance of a Writ of Attachment.

21 II.

22 FACTUAL BACKGROUND

23 In or around February of 2005, Defendants presented the Solomon Towers, LLC high rise
 24 condominium investment (“Solomon Towers project”) opportunity to investors, who included
 25 Plaintiffs. In this investment scheme, Defendants would purchase raw land in downtown
 26 Phoenix, Arizona using investors’ funds, then develop the land into upscale condominiums,
 27 providing investors with a purported significant return upon the sale of the condominiums.
 28 Notwithstanding a brief Power Point presentation and unaudited Pro Forma financials for the

1 project, no other disclosure documentation was disseminated to the Plaintiff investors regarding
2 the Solomon Towers project. (See Declaration of Steve Trachsel in support of Ex Parte
3 Application for Temporary Restraining Order, Exhibits "A" and "B".) There was no Private
4 Placement Memorandum provided to the Plaintiff investors at the presentation or anytime
5 thereafter setting forth the potential risks inherently involved in the project and the potential
6 future loss of the entire investment. (Declaration of Steve Trachsel in support of Right to Attach
7 Order and Order for Writ of Attachment, ¶ 3.)

8 Previously, on July 25, 2002, a company owned by Defendant ZELEZNAK purchased
9 625-643 N. 2nd Avenue, Phoenix, AZ (hereinafter referred to as "the Property") from Core
10 Builders, Inc. for \$392,000.00. At 28,000 square feet, the cost for this transaction was \$14.00 per
11 square foot. On April 11, 2005, Defendants ZELEZNAK and VENTO sold the Property to
12 SOLOMON TOWERS, LLC for \$5,004,929.00, which Defendants BUCHHOLZ and FISCHER
13 paid for using Plaintiffs' investment funds. The cost for this transaction was approximately
14 \$178.75 per square foot. Based on comparable lot sales in the region, the actual market rate for
15 the land from February to March of 2005 was approximately \$33.19 per square foot. In addition,
16 Defendant ZELEZNAK received a commission of \$1,000,000.00 on the sale, or approximately
17 20%, far exceeding the prevailing market rate of 5% to 6% for sales transactions involving raw
18 land. (Trachsel Decl., ¶ 4.)

19 Further, Defendants SOLOMON CAPITAL, BUCHHOLZ, and FISCHER, in connection
20 with the presentation to the Plaintiff investors regarding the Solomon Towers project, materially
21 misrepresented the actual return or "profit" to the Plaintiff investors. The Pro Forma Finance &
22 Investment Analysis promised investors a 50% share of all profits. To date, the Plaintiff investors
23 have received no return on investment from the Solomon Towers project. To the contrary, the
24 Plaintiff investors have been requested to make further capital contributions to the project.
25 Needless to say, the Towers have not been built. The only people who have made a profit to date
26 on that project are the Defendants. Further, according to pro forma financials disseminated by
27 Defendants SOLOMON CAPITAL, BUCHHOLZ, and FISCHER on February 29, 2008, the
28 Solomon Towers project is in severe financial distress and overleveraged in an amount in excess

1 of \$2,400,000. (Trachsel Decl., ¶ 5.)

2 Rather than applying the investment funds toward development of the Property,
 3 Defendants divided the investment funds among themselves and left the investors holding an
 4 overleveraged property. This scheme, involving overpayment for property, followed by a
 5 division of investor funds between the seller and the buyer, and an “inexplicable” failure of the
 6 investment is commonly referred to as a “pump and dump” scheme. (Trachsel Decl., ¶ 6.)

7 Plaintiffs did not learn of Defendants’ fraudulent enterprise until July 2007, after federal
 8 and state authorities raided Defendant SOLOMON CAPITAL’s offices in San Jose due to
 9 allegations of fraudulent investment schemes. Plaintiffs have filed an unlimited civil complaint
 10 for, among other things, rescission of the investment contract based on Defendants’
 11 misrepresentations and lack of qualification to sell securities under California Corporations Code.
 12 (Trachsel Decl., ¶ 7.)

13 III.

14 LEGAL ARGUMENT

15 A. The Court May Apply California Attachment Law and Procedures

16 Under the Federal Rules of Civil Procedure, Rule 64, plaintiffs may invoke whatever
 17 remedies are provided under federal law or the law of the state in which the federal law is located
 18 for “seizure of person or property for the purpose of securing satisfaction of the judgment
 19 ultimately to be entered in the action.” (FRCP Rule 64; Reebok Int’l, Ltd. V. Marnatech
 20 Enterprises, Inc. (9th Cir. 1992) 970 F.2d 552; Mitsubishi Int’l Corp. v. Cardinal Textile Sales,
 21 Inc. (11th Cir. 1994) 14 F.3d 1507, 1521.) Very few federal statutes authorize prejudgment
 22 attachment of property. However, in the absence of prevailing federal law, federal courts look to
 23 the laws of the state in which they are located. (Erie Railroad Co. v. Tompkins (1938) 304 U.S.
 24 64.) The laws of the State of California, where this matter is venued, allow for attachment under
 25 Code of Civil Procedure section 481.010 et seq. Accordingly, the Court should consider
 26 Plaintiffs’ application for a right to attach order under the laws of the State of California.

27 ///

28 ///

1 **B. Plaintiffs Have Complied With the Relevant Statutory Requirements to Obtain an**
 2 **Order Authorizing a Writ of Attachment**

3 The preliminary purpose of the attachment remedy is to allow a creditor a procedure
 4 ancillary to their action by which to ensure that a debtor's assets will not be dissipated prior to the
 5 time of judgment and enforcement. (North Hollywood Marble Co. v. Superior Court (1984) 157
 6 Cal.App.3d 683.) The attachment remedy is provided by the California legislature to ensure
 7 satisfaction of judgment. The remedy is particularly appropriate where the amount claimed is
 8 easily ascertainable.

9 California Code of Civil Procedure section 484.010 governs applications for right to
 10 attach orders and the issuance of writs of attachment. It states:

11 Upon the filing of the complaint, or at any time thereafter, the
 12 plaintiff may apply pursuant to this article for a right to attach order
 13 and a writ of attachment by filing an application for the order and
 14 writ with the court in which the action is brought.

15 Next, a plaintiff must show that the requirements of Code of Civil Procedure section
 16 484.020 are met. That section states:

17 The application [for a writ of attachment] shall be executed under
 18 oath and shall include all of the following:

19 (a) A statement showing that the attachment is sought to secure the
 20 recovery on a claim upon which an attachment may be issued.

21 (b) A statement of the amount to be secured by the attachment.

22 (c) A statement that the attachment is not sought for a purpose other
 23 than the recovery on the claim upon which the attachment is based.

24 (d) A statement that the applicant has no information or belief that
 25 the claim is discharged in a proceeding under Title 11 of the United
 26 States Code (Bankruptcy) or that the prosecution of the action is
 27 stayed in a proceeding under Title 11 of the United States Code
 28 (Bankruptcy).

29 (e) A description of the property to be attached under the writ of
 30 attachment and a statement that the plaintiff is informed and
 31 believes that such property is subject to attachment.

32 Finally, Code of Civil Procedure section 484.030 requires a showing that the plaintiff is
 33 likely to succeed and obtain a judgment on the facts, stating:

1 The application shall be supported by an affidavit showing that the
 2 plaintiff on the facts presented would be entitled to a judgment on
 3 the claim upon which the attachment is based.

4 If all elements are demonstrated by the papers or at the hearing on the right to attach
 5 order, section 484.090(a) states that the Court “shall issue a right to attach order, which shall state
 6 the amount to be secured by the attachment determined by the court.” [emphasis added.] In the
 7 present action, Plaintiffs have satisfied all of these requirements, as outlined below, and the Court
 should issue an order attaching Defendants’ property.

8 **1. Plaintiffs’ Application for a Right to Attach Order and a Writ of Attachment
 9 Was Filed Soon After the Filing of Plaintiffs’ Complaint**

10 Section 484.010 requires, as a threshold matter, that an application for a right to attach
 11 order be filed concurrent with or following the filing of a complaint. Because Plaintiffs
 12 previously filed their Complaint, the application is being made following the filing of the
 13 complaint. (Trachsel Decl., ¶ 7.) Therefore, the threshold requirement of section 484.010 is
 14 satisfied.

15 **2. Attachment May Be Issued on the Present Claim**

16 Section 484.020(a) requires a declaration that the claim is one on which attachment is
 17 proper. Section 483.010 describes actions in which attachment is authorized, stating, in relevant
 18 part:

19 “an attachment may be issued only in an action on a claim or claims
 20 for money, each of which is based on a contract, express or implied,
 21 where the total amount of claim or claims is a fixed or readily
 ascertainable amount not less than five hundred dollars (\$500)
 exclusive of costs, interest, and attorney’s fees.”

22 Further, damages measurable from the contract are validly secured by writ of attachment.
 23 (Lewis v. Steifel (1950) 98 Cal.App.2d 648, 650.)

24 Among the numerous claims pled in Plaintiffs’ complaint is one for rescission and return
 25 of funds under the California Corporations Code. Because this claim is one for a readily
 26 ascertainable sum of money based on an operating agreement with Defendants, attachment may
 27 be issued on the present claim. (Trachsel Decl., ¶ 7.)

28 ///

1 **3. Plaintiffs Seek \$1,000,000.00, Plus Costs, Interest, and Attorney's Fees**

2 The amount of the attachment sought by Plaintiffs is \$1,000,000.00, which is the amount
 3 they invested in Solomon Towers, LLC based on Defendants' false representations, plus costs,
 4 interest, and attorney's fees required to bring this matter before the Court. (Trachsel Decl., ¶ 8.)
 5 This amount is substantiated by the Operating Agreement for Solomon Towers, LLC, which
 6 indicates all investment contributions on the Solomon Towers project. (Trachsel Decl., Ex. "C".)
 7 Based on the Operating Agreement, Plaintiff Sun City Towers contributed \$200,000.00, Plaintiff
 8 Cirrito Holdings contributed \$150,000.00, and Plaintiff Atocha Land contributed \$650,000.00.
 9 (Id.) Accordingly, the total payments to Solomon Towers, LLC by Plaintiffs is \$1,000,000.00.
 10 (Id.) Thus, the Court should issue a Writ of Attachment to cover these investment funds.

11 **4. The Attachment Is Not Being Sought for a Purpose Other Than Recovery on**
 12 **Plaintiffs' Complaint**

13 The accompanying Declaration of Steve Trachsel establishes that the attachment is not
 14 sought for purposes other than a recovery on the claim upon which the attachment is based.
 15 (Trachsel Decl., ¶ 9.) Further, the Declaration sets forth facts showing that the attachment is
 16 sought to secure payment of the sums owed to Plaintiffs from Defendants based on the rescission
 17 of the investments. (Id.)

18 **5. The Claim Is Not Discharged In or Stayed By Chapter 11 Bankruptcy**

19 On information and belief, Defendants have not filed for bankruptcy under Chapter 11
 20 based on Plaintiffs' claim. (Trachsel Decl., ¶ 10.) Accordingly, Plaintiffs are informed and
 21 believe that the claim is neither discharged nor stayed by such a proceeding, and the Court may
 22 move forward to issue the Attachment Order. (Id.)

23 **6. The Property Sought to be Attached is Not Exempt From Attachment.**

24 A Right to Attach Application may seek to attach all of the following types of property
 25 owned by individual defendants: real property, personal property, equipment, motor vehicles,
 26 chattel paper, negotiable and other instruments, securities, deposit accounts, safe deposit boxes,
 27 accounts receivable, general intangibles, property subject to pending actions, final money
 28 judgments, and personalty in estates of decedents. (Bank of America v. Salinas Nissan, Inc.

1 (1989) 207 Cal.App.3d 260, 264, 267-268.) Defendants BUCHHOLZ and FISCHER are
 2 nonresident individuals, and the property sought to be attached is personal property and real
 3 property not required for personal, family, or household purposes. As a result, said property is
 4 not exempt and is subject to attachment.

5 Code of Civil Procedure Section 487.010 provides, in pertinent part, that: "The following
 6 property of the defendant is subject to levy: (a) Where the defendant is a corporation, all
 7 corporate property for which a method of levy is provided by Article 2 (commencing with Section
 8 488.300) of Chapter 8." The words "all corporate property" are statutorily acceptable. (Code of
 9 Civ. Proc., § 484.020(e). Defendants RDB DEVELOPMENT and SOLOMON CAPITAL are
 10 Nevada limited liability companies with their principal offices in San Jose and, therefore, all of
 11 their corporate property within the state is subject to attachment. Because attachment may be
 12 issued on both the claim and the property sought, the Court should issue a writ of attachment on
 13 the present application.

14 **7. On the Facts Presented, Plaintiffs Would Be Entitled to Judgment**

15 In order to obtain a writ of attachment, a plaintiff must show the likelihood of success on
 16 the claim for which the attachment is sought. Code of Civil Procedure section 484.050 clarifies
 17 this requirement, stating:

18 The order will be issued if the court finds that the plaintiff's claim is
 19 probably valid and the other requirements for issuing the order are
 20 established. The hearing is not for the purpose of determining
 21 whether the claim is actually valid. The determination of the actual
 validity of the claim will be made in subsequent proceedings in the
 action and will not be affected by the decisions at the hearing on the
 application for the order.

22 Therefore, the plaintiff need not prove that the claim is actually valid, but only that the
 23 "claim is probably valid . . ." (Code of Civil Procedure section 484.050; Loeb & Loeb v. Beverly
 24 Glen Music, Inc. (1985) 166 Cal.App.3d 1110.)

25 Here, Plaintiffs' claim for rescission of their investment contracts under the California
 26 Corporations Code meets and exceeds the "probably valid" threshold required by the statute.
 27 Under California Corporations Code section 25019, investment contracts are explicitly defined as
 28 securities. The United States Supreme Court, the California Supreme Court, and the California

1 Department of Corporations all confirm this interpretation. (S.E.C. v. Howey (1946) 328 U.S.
 2 293, 298; Silver Hills Country Club v. Sobieski (1961) 55 Cal.2d 811, 908; Cal. Comm'r of Corp.
 3 v. Fairshare (1998) OAH No. N 1998110288.) Accordingly, Plaintiffs' investments in the
 4 Solomon Towers Project are securities under California Corporations Code section 25019 and
 5 relevant case law.

6 By issuing these securities and engaging in the business of effecting transactions based on
 7 these securities, Defendants are considered "issuers" under Corporations Code section 25010 and
 8 "broker-dealers" under section 25004. Issuer transactions of securities are governed by section
 9 25110, which states, in relevant part: "It is unlawful for any person to offer or sell in this state
 10 any security in an issuer transaction...unless such sale has been qualified," meaning that the
 11 issuer has a permit from the state to sell such securities. Defendants neither qualified nor
 12 exempted themselves in accordance with these requirements. (Trachsel Decl., ¶ 3.) They do not
 13 have any kind of permit to sell these securities. (Id.) As a result, all sales to Plaintiffs may be
 14 rescinded as if they had never taken place, and all proceeds must be immediately returned with
 15 interest under Corporations Code section 25503. Further, under Corporations Code section
 16 25403, all parties that can be construed to have aided and abetted the sale of the securities are
 17 jointly and severally liable under the Code for the return of the investment, damages, interest,
 18 attorney's fees, and costs.

19 This statutory language is clearly worded, strictly construed, and beyond debate.
 20 Moreover, the statute directly applies to Defendants, requiring rescission of Defendants'
 21 investment contract with Plaintiffs and return of Plaintiffs' investment funds. Because both the
 22 statute and its application to Defendants are clear, the probable validity of Plaintiffs' claim
 23 required by Code of Civil Procedure section 484.050 is solidly established. Therefore, Plaintiffs,
 24 upon the facts presented, are likely to be entitled to a judgment on the claim upon which the
 25 attachment is based, and the Court should issue an order attaching Defendants' property.

26 **C. Plaintiff Will File an Undertaking in the Amount of \$10,000 Following Issuance of**
the Right to Attach Order

28 Code of Civil Procedure section 489.210 provides that an undertaking to pay defendant

any amount defendant may recover for a wrongful attachment shall be filed before issuance of a writ of attachment. However, the cost to provide a bond for the \$1,000,000.00 in investment funds that Defendants converted is prohibitive for Plaintiffs, even in the aggregate. (Trachsel Decl., ¶ 11.) Instead, Code of Civil Procedure section 489.220 provides that the amount of said undertaking, at the discretion of the Court, shall be in the amount of \$10,000.00. As set forth in the application, Plaintiffs will file an undertaking in the amount of \$10,000.00 following the Court's issuance of the Right to Attach Order.

IV.

CONCLUSION

As set forth above, the Court should issue a Right to Attach Order and Writ of Attachment against Defendants because Plaintiffs have complied with all applicable statutory requirements and have provided competent evidence that they are likely to succeed on their claim against Defendants. As such, Plaintiffs respectfully request that their Application for a Right to Attach Order and an Order for Issuance of a Writ of Attachment be granted.

2 1. I am a plaintiff in the above-titled action. Further, I am the President of Sun City
3 Capital, LLC, which is also a plaintiff herein. I have personal knowledge of all representations
4 made herein, and if called to testify, will testify as to their truthfulness.

5 2. I submit this declaration in support of Plaintiffs' Application for a Right to Attach
6 Order and an Order for Issuance of a Writ of Attachment After Hearing.

7 3. In or around February of 2005, I was notified of a meeting where Defendants
8 presented the Solomon Towers, LLC high rise condominium investment ("Solomon Towers
9 project") opportunity to investors. Although I was not present at this meeting, Defendant
10 FISCHER later informed of its substance. Defendant FISCHER also provided me with
11 documents for the investment during our discussion. In this investment scheme, Defendants
12 would purchase raw land in downtown Phoenix, Arizona using investors' funds, then develop the
13 land into upscale condominiums, providing investors with a purported significant return upon the
14 sale of the condominiums. Notwithstanding a brief Power Point presentation and Pro Forma
15 financials for the project, no other disclosure documentation was disseminated to me regarding
16 the Solomon Towers project. There was no Private Placement Memorandum provided to me at
17 any time setting forth the potential risks inherently involved in the project and the potential future
18 loss of the entire investment. Based on information and belief, there was no other disclosure
19 documentation provided to other investors other than that referenced herein. Further, as I
20 subsequently learned, Defendants neither qualified nor exempted themselves to be issuers or
21 broker-dealers of securities in accordance with the requirements of California Corporations Code
22 section 25110.

23 4. On April 11, 2005, Defendants ZELEZNAK and VENTO sold a 28,000 square
24 foot parcel located at 625-643 N. 2nd Avenue, Phoenix, AZ (hereinafter referred to as "the
25 Property") to SOLOMON TOWERS, LLC for \$5,004,929.00, which Defendants BUCHHOLZ
26 and FISCHER paid for using Plaintiffs' investment funds. The cost for this transaction was
27 approximately \$178.75 per square foot. Based on comparable lot sales in the region, the actual
28 market rate for the land from February to March of 2005 was approximately \$33.19 per square

1 foot. In addition, Defendant ZELEZNAK received a commission of \$1,000,000.00 on the sale, or
2 approximately 20%, far exceeding the prevailing market rate of 5% to 6% for sales transactions
3 involving raw land.

4 5. During my conversation with Defendant FISCHER following the February
5 meeting, Defendant FISCHER materially misrepresented the actual return or "profit" to the
6 Plaintiff investors on the Solomon Towers project. Based on information and belief, Defendants
7 BUCHHOLZ, FISCHER, and SOLOMON CAPITAL similarly misrepresented this "profit" to
8 the investors present at the meeting. The Pro Forma Finance & Investment Analysis I received
9 represented that investors would receive a 50% share of all profits. To date, the Plaintiff
10 investors have received no return on investment from the Solomon Towers project. To the
11 contrary, the Plaintiff investors have been requested to make further capital contributions to the
12 project. Further, according to pro forma financials disseminated by Defendants SOLOMON
13 CAPITAL, BUCHHOLZ, and FISCHER on February 29, 2008, the Solomon Towers project is in
14 severe financial distress and overleveraged in an amount in excess of \$2,400,000.

15 6. Defendants did not apply the investment funds toward development of the
16 Property. To the contrary, Defendants divided the investment funds among themselves and left
17 the investors holding an overleveraged property. I did not learn of Defendants' fraudulent
18 enterprise until July 2007, after federal and state authorities raided Defendant SOLOMON
19 CAPITAL's offices in San Jose due to allegations of fraudulent investment schemes.

20 7. Plaintiffs filed an unlimited civil complaint with this Court for, among other
21 things, rescission of the investment contract based on Defendants misrepresentations and lack of
22 qualification to sell securities under California Corporations Code. I am informed and believe
23 that attachment is proper on this claim.

8. The amount of the attachment sought by Plaintiffs is \$5,100,000.00, which is the amount they invested in the Solomon Towers project, plus costs, interest, and attorney's fees required to bring this matter before the Court. This amount is substantiated by the Operating Agreement for Solomon Towers, LLC, which indicates all investment contributions on the Solomon Towers project. The Operating Agreement includes 18 initial members who contributed a total of \$4,169,400.00. Further, the Operating Agreement includes 13 loans made to Solomon Towers, LLC, totaling \$840,600.00. Accordingly, the total payments to Solomon Towers, LLC by Plaintiffs and other class members total \$5,010,000.00. Attached hereto as Exhibit "A" is a true and correct copy of the Solomon Towers Operating Agreement.

9. The attachment in this action is not being sought for any purpose other than recovery on the claim upon which the application for attachment is based.

10. On information and belief, Defendants have not filed for bankruptcy under Chapter 11 based on Plaintiffs' claim. Accordingly, I am informed and believe that the claim is neither discharged nor stayed by such a proceeding.

11. The cost to provide a bond for the \$5,100,000.00 in investment funds that Defendants converted is prohibitive for Plaintiffs, even in the aggregate.

I declare under the penalty of perjury under the laws of the State of California that the foregoing is true and correct.

6.3 Allocation in Respect to Transferred Interest. If a Member's Interest is conveyed in a Permitted Transfer during any year, allocations of Profits and Losses and items of income, gain, loss, and deduction with respect to such Interest shall be allocated between the transferor and the transferee by taking into account their varying interests in such Interest during the year as though the Company's books were closed on the date of the Permitted Transfer.

7.1 Limitation of Liability. Each Member's liability for the debts and obligations of the Company shall be limited as set forth in the Act and other applicable law. Unless authorized to do so by this Agreement or otherwise by the Manager in writing, no Member shall have any power or authority to bind the Company in any way, to pledge the Company's credit, to render the Company liable for any purpose, or to otherwise engage in the management of the Company. 8.2 **Exculpation.** No Covered Person shall be liable to the Company or any Member for any act or omission taken or suffered by such Covered Person in good faith and in the reasonable belief that such act or omission is in or is not contrary to the best interests of the Company and is within the scope of authority granted to such Covered Person by this Agreement; provided, however, that Covered Persons shall remain liable to the Company for acts in breach of this Agreement, breach of any fiduciary duty owed to the Company and for gross negligence and willful misconduct in connection with matters relating to the Company.

8.3 **Indemnification.**

(a) The Company shall, to the fullest extent permitted by applicable law, indemnify, hold harmless and release each Covered Person from and against all claims, demands, liabilities, costs, expenses, damages, losses, suits, proceedings and actions, whether judicial, administrative, investigative or otherwise, of whatever nature, known or unknown, liquidated or unliquidated, that may accrue to or be incurred by any Covered Person as a result of the Covered Person's activities associated with the Company; provided, however, that the benefits of this Section 8.3(a) shall not extend to acts in breach of this Agreement, breach of any fiduciary duty owed to the Company and for gross negligence and willful misconduct in connection with matters relating to the Company.

(b) Members shall not be required directly to indemnify any Covered Person.

ARTICLE IX

9.1 **Books and Records.** The Manager, at the expense of the Company, shall keep or cause to be kept adequate books and records for the Company that contain an accurate account of all business transactions arising out of and in connection with the conduct of the Company required by the Act. Additionally, at the expense of the Company, the Manager shall maintain or cause to be maintained the following records:

Any Member or its designated representative shall have the right, at any reasonable time, to have access to and may inspect and copy the contents of such books or records.

9.2 Tax Matters.

(a) The Members intend that the Company shall be operated in a manner consistent with its treatment as a partnership for federal and state income tax purposes. The Members agree not to take any action inconsistent with this expressed intent. Specifically, it is expressly provided that the TMP shall take no action to cause the Company to elect to be taxed as a corporation pursuant to Regulations Section 301.7701-3(a) or any counterpart under state law. It is further expressly provided that each Member agrees not to make any election for the Company to be excluded from the application of the provisions of Subchapter K of the Code.

(b) Charice Buchholz is hereby designated as the tax matters partner as defined in Section 6231 of the Code (the "TMP") of the Company and shall be authorized and required to represent the Company in connection with all examinations of the Company's affairs by tax authorities, including resulting administrative and judicial proceedings, and to expend Company funds for professional services and costs associated therewith. Each Member agrees to cooperate with the TM_P and to do or refrain from doing any or all things reasonably required by the TM_P to conduct such proceedings. The TM_P shall serve as TM_P of the Company until he dies (if an individual) or it dissolves (if an entity) or resigns as TM_P. Any successor TM_P shall be selected by a Majority in Interest of the Members.

9.3 Bank Accounts. All funds of the Company shall be deposited in the name of the Company in an account or accounts maintained with such bank or banks selected by the Manager. The funds of the Company shall not be commingled with the funds of any other Person. Checks shall be drawn upon the Company account or accounts only for the purposes of the Company and shall be signed by authorized Persons on behalf of the Company.

ARTICLE X

ADMISSIONS AND WITHDRAWALS

10.1 Admission of Member. No additional Persons shall be admitted as a Member of the Company as a result of the issuance of additional Interests after the date of formation of the Company without the consent of a Majority in Interest of the Members and unanimous consent of the Managers. Additionally, no Person shall be admitted as a Member of the Company after the date of formation of the Company as a result of a Transfer of a Member's Interest(s) except in accordance with Section 11.5.

10.2 Right to Withdraw. A Member may withdraw from the Company at any time by mailing or delivering a written notice of withdrawal to the Manager. If the withdrawing Member is the Manager, such Member may withdraw by mailing or delivering a written notice of withdrawal to the Company and to the other Members at their last known addresses set forth in Exhibit A.

10.3 Rights of Withdrawn Member. Upon the occurrence of a Withdrawal Event with respect to a Member, the Withdrawn Member (or the Withdrawn Member's personal representative or other successor if applicable) shall cease to participate in management of the Company or to have any rights of a Member except only the right to receive distributions occurring at the times and equal in amounts to those distributions the Withdrawn Member would otherwise have received if a Withdrawal Event had not occurred; provided, however, that in the event of a Withdrawal Event that entails the death of a Member, the personal representative or other successor, or successors of such Person shall be admitted as a Member or as Members of the Company immediately following the death of such Person with the identical rights and obligations as a Member possessed by such Person immediately preceding such Person's death. The preceding sentence shall also apply in the event of the death of any personal representative or successor who succeeds to an interest as a Member of the Company upon the death of any such Person. If in any case there are no remaining Members, distributions to any Withdrawn Member shall be governed by Section 12.2.

ARTICLE XI

RESTRICTIONS ON TRANSFERABILITY

11.1 General. No Member shall be authorized to transfer all or a portion of their Interest unless the Transfer constitutes a Permitted Transfer.

11.2 Permitted Transfers. Subject to the conditions and restrictions set forth in Section 11.3, a Transfer of a Member's Interest shall constitute a Permitted Transfer provided that:

- (a) The Transfer is made to another Member; or
- (b) The Transfer is made following compliance with the terms of the right-of-first refusal set forth in Section 11.4.

11.3 Conditions To Permitted Transfer. A Transfer shall not be treated as a Permitted Transfer unless the following conditions are satisfied:

(a) The transferor and the transferee reimburse the Company for all costs that the Company incurs in connection with such Transfer; and

(b) The transferor and the transferee agree to execute such documents and instruments necessary or appropriate in the discretion of the Manager to confirm such Transfer.

It is expressly provided herein that the transferee of an Interest in a Permitted Transfer under Sections 11.2(a) and (b) shall automatically become a Substitute Member unless the transferor determines to the contrary. If the transferee of an Interest in a Permitted Transfer shall not become a Substitute Member, the transferee shall have only the rights set forth in Section 11.6 hereof.

11.4 Right of First Refusal.

(a) General. If any Member desires to Transfer all or a portion of the Member's Interest to any Person who is not a Member and the Transfer is not described in Section 11.2(a) or (b), such Transfer shall not constitute a Permitted Transfer unless such Member shall afford the Company and the other Members a right-of-first refusal pursuant to this Section 11.4.

(b) Notice. Before Transferring their Interest, a Member must first provide to the Company and the other Members at least seventy-five (75) days ("Notice Period") prior written notice of their intention to Transfer any part or all of their Interest (the "Disposition Notice"). The Member proposing to dispose of all or part of his, her or its Interest shall be known as the "Disposing Member" and the other Members shall be known as the "Non-Disposing Members" for purposes of this Agreement. In the Disposition Notice, the Disposing Member shall specify the price at which the Interest is proposed to be sold or transferred ("Offering Price"), which may not consist of consideration other than cash and/or promissory notes, the portion of their Interest to be sold or transferred, the identity of the proposed purchaser or transferee, and the terms and conditions of the proposed transaction.

(c) Option to Company. The Manager may elect, on behalf of the Company, within fifteen (15) days after receiving the Disposition Notice, to purchase the Interest proposed to be disposed of by the Disposing Member at the Offering Price. The terms and conditions of the purchase by the Company shall be the terms and conditions of the proposed transaction, as set forth in the Disposition Notice.

(d) Options to Members. If the entire Interest covered by the Disposition Notice is not purchased by the Company, the remaining Interest may be purchased by the Non-Disposing Members on the same terms and at the same price available to the Company. Each Non-Disposing Member shall have the option to purchase that portion of the Disposing Member's Interest that is necessary to maintain their Percentage Interest vis-a-vis the other Non-Disposing Members. If any Non-Disposing Member does not purchase the portion of the Interest available to them, the remaining Interest will then be available for purchase by the other Non-Disposing Members in proportion to their Percentage Interests.

(e) Timing. If the Company decides to purchase less than all of the Interest offered by the Disposing Member, within fifteen (15) days after the Company reaches such decision, and, in any event, at the expiration of the first thirty (30) days of the Notice Period specified in Section 11.4(b), the Company shall so notify each Non-Disposing Member. The notice shall state that the Company did not exercise its option to purchase with respect to the entire Interest offered pursuant to the Disposition Notice and shall contain appropriate information concerning the Non-Disposing Members' options to purchase all or any part of the remaining Interest offered by the Disposing Member. Each Non-Disposing Member must give written notice to the Disposing Member and the other Non-Disposing Members of the exercise of their option to acquire their pro rata portion of such Interest within the first forty-five (45) days of the Notice Period. If any Non-Disposing Member does not elect to purchase all of the portion of the Interest available to them, the remaining Non-Disposing Members shall be entitled to purchase such Interest in accordance with subparagraph (d) by giving written notice to the Disposing Member and the other Non-Disposing Members within the first sixty (60) days of the Notice Period.

(f) Condition to Electing Option. The options set forth in Sections 11.4(c) and 11.4(d) shall be subject to the condition that in no event shall less than one hundred percent (100%) of the Interest proposed to be disposed of by the Disposing Member be purchased in the aggregate by the Company and the Non-Disposing Members.

(g) Transfer to Third Party. If neither the Company nor the Non-Disposing Members shall have purchased the entire Interest covered by the Disposition Notice as provided in the foregoing subsections of this Section 11.4 within the first sixty (60) days of the notice period, the Disposing Member may sell to Persons other than the Company and the Non-Disposing Members, provided that any disposition must be made on the terms and conditions and to the party specified in the Disposition Notice and must be consummated within the Notice Period. After the termination of the Notice Period, the restrictions of this Article 11.4 shall apply again.

11.5 Admission of Substitute Member.

(a) Except as otherwise provided in paragraph (b) of this Section 11.5, a transferee of an Interest who is not a Member shall be admitted to the Company as a Substitute Member only upon satisfaction of the following conditions:

(i) The Interest with respect to which the transferee is being admitted was acquired by means of a Permitted Transfer;

(ii) The transferee becomes a party to this Agreement and executes such documents and instruments as the Members determine are necessary or appropriate to confirm such transferee as a Member and such transferee's agreement to be bound by the terms of this Agreement;

(iii) The transferee provides the Company with evidence satisfactory to counsel for the Company that such transferee has made each of the representations and covenants set forth in Section 13.10 hereof; and

(iv) A Majority in Interest (defined for this purpose by excluding the transferor Member) consent to the admission of the transferee as a Substitute Member, which consent may be given or withheld for any reason or for no reason.

(b) A transferee of an Interest in a Permitted Transfer under Sections 11.2(a) and (b) shall automatically become a Substitute Member unless the transferor directs in writing to the contrary.

11.6 Rights of Assignee. A Person who acquires an Interest in the Company (other than a Person who was a Member before such acquisition) but who is not admitted to the Company as a Substitute Member, shall have only the right to receive the distributions and allocations of taxable income or loss to which the Member would have been entitled under this Agreement with respect to the transferred Interest and shall not have or enjoy any right to participate in the management of the Company, or to exercise any voting rights hereunder or to receive any financial information or reports relating to the Company or any other rights of a Member under the Act or this Agreement, unless and until the purchaser or transferee is admitted as a Member pursuant to Section 10.1 hereof.

11.7 Prohibited Transfers. Any purported Transfer of Interests that is not a Permitted Transfer shall be null and void and of no force and effect whatsoever. In the case of an attempted Transfer that is not a Permitted Transfer, the parties engaging in or attempting to engage in such Transfer shall be liable to and shall indemnify and hold harmless the Company from all loss, cost, liability and damages that the Company or any Member shall incur as a result of such attempted Transfer.

ARTICLE XII

DISSOLUTION AND TERMINATION

12.1 Dissolution. The Company shall be dissolved upon the first to occur of any of the following events:

- (a) The affirmative vote or written agreement of all the Members;
- (b) The entry of a decree of judicial dissolution under the Act; or
- (c) The sale, exchange, or other disposition of all or substantially all the assets of the Company.

It is expressly provided herein that the Company shall not be dissolved upon the occurrence of a Withdrawal Event with respect to a Manager or a Member unless there are no Members.

12.2 Liquidation, Winding Up and Distribution of Assets. A Manager shall, upon dissolution of the Company, proceed to liquidate the Company's assets and properties, discharge the Company's obligations, and wind up the Company's business and affairs as promptly as is consistent with obtaining the fair value thereof. The proceeds of liquidation of the Company's assets, to the extent sufficient therefor, shall be applied and distributed as follows:

(a) First, to the payment and discharge of all of the Company's debts and liabilities except those owing to Members or to the establishment of any reasonable reserves for contingent or unliquidated debts and liabilities;

(b) Second, to the payment of any accrued interest owing on any debts and liabilities owing to Members in proportion to the amount due and owing to each Member;

(c) Third, to the payment of outstanding principal amounts owing on any debts and liabilities owing to Members in proportion to the amount due and owing to each Member; and

(d) Fourth, to the Members in accordance with the positive balance of each Member's Capital Account as determined after taking into account all Capital Account adjustments for the Company's taxable year during which the liquidation occurs, including any Capital Account Adjustments associated with the allocation of Profits and Losses with respect to any transaction which results in the dissolution and liquidation of the Company. Any such distributions to the Members in respect of their Capital Accounts shall be made within the time requirements of Section 1.704-1(b)(3)(ii)(b)(2) of the Regulations. If for any reason the amount distributable pursuant to this Section 12.2(d) shall be more than or less than the sum of all the positive balances of the Members' Capital Accounts, the proceeds distributable pursuant to this Section 12.2(d) shall be distributed among the Members in accordance with the ratio by which the positive Capital Account balance of each Member bears to the sum of all positive Capital Account balances.

12.3 Deficit Capital Accounts. No Member shall have any obligation to contribute or advance any funds or other property to the Company by reason of any negative or deficit balance in such Member's Capital Account during or upon completion of winding up or at any other time.

12.4 Articles of Dissolution. When all the remaining property and assets have been applied and distributed in accordance with Section 12.2 hereof, the Manager (or such other Person designated by the Members) shall cause "Articles of Dissolution" to be executed and filed with the Nevada Secretary of State in accordance with the Act.

12.5 Return of Contribution Non-Recourse to Other Members. Except as provided by law, upon dissolution, each Member shall look solely to the assets of the Company for the return of the Member's Capital Contributions. If the Company property remaining after the payment or discharge of the debts and liabilities of the Company is insufficient to return the cash or other property contribution of one or more Members, such Member or Members shall have no recourse against the Manager or any other Member.

12.6 In Kind Distributions. A Member shall have no right to demand and receive any distribution from the Company in any form other than cash. However, a Member may be compelled to accept a distribution of an asset in kind if the Company is unable to dispose of all of its assets for cash.

ARTICLE XIII

MISCELLANEOUS PROVISIONS

13.1 Notices. Except as otherwise provided herein, any notice, demand, or communication required or permitted to be given to a Member by any provision of this Agreement shall be deemed to have been sufficiently given or served for all purposes if delivered personally to the Member or, if sent by registered or certified mail, postage and charges prepaid, addressed to the Member's address set forth in Exhibit A. Except as otherwise provided herein, any such notice shall be deemed to be given on the date on which the same was deposited in a regularly maintained receptacle for the deposit of United States mail, addressed and sent as aforesaid.

13.2 Governing Law. This Agreement and the rights of the parties hereunder will be governed by, interpreted, and enforced in accordance with the laws of the State of Nevada.

13.3 Amendments. This Agreement may not be amended except by a written agreement of all of the Members. Notwithstanding the foregoing, the Manager shall be authorized to make any amendments to this Agreement which, in the opinion of counsel to the Company, are necessary to maintain the status of the Company as a partnership for federal and state income tax purposes.

13.4 Additional Documents and Acts. Each Member agrees to execute and deliver such additional documents and instruments and to perform such additional acts as may be necessary or appropriate to effectuate, carry out and perform all of the terms, provisions and conditions of this Agreement and the transactions contemplated hereby.

13.5 Headings. The headings in this Agreement are inserted for convenience only and are in no way intended to describe, interpret, define, or limit the scope, extent, or intent of this Agreement or any provision hereof.

13.6 Severability. If any provision of this Agreement is held to be illegal, invalid or unenforceable under the present or future laws effective during the term of this Agreement, such provision will be fully severable; this Agreement will be construed and enforced as if such illegal, invalid, or unenforceable provision had never comprised a part of this Agreement; and the remaining provisions of this Agreement will remain in full force and effect and will not be affected by the illegal, invalid or unenforceable provision or by its severance from this Agreement. Furthermore, in lieu of such illegal, invalid or unenforceable provision, there will be added automatically as a part of this Agreement a provision as similar in terms to such illegal, invalid or unenforceable provision as may be possible and be legal, valid and enforceable.

13.7 Heirs, Successors, and Assigns. Each and all of the covenants, terms, provisions, and agreements herein contained shall be binding upon and inure to the benefit of the parties hereto and, to the extent permitted by this Agreement and by applicable law, their respective heirs, legal representatives, successors, and assigns.

13.8 Creditors and Other Third Parties. None of the provisions of this Agreement shall be for the benefit of, or enforceable, by any creditors of the Company or any other third parties.

13.9 Section, Other References. Except to the extent provided, references to the terms "Section," "Schedule," "Exhibit," or "Appendix" means to the corresponding Sections, Schedules, Exhibits, or Appendices of this Agreement.

13.10 Authority to Adopt Agreement. By execution hereof, each Member represents and covenants as follows:

(a) The Member has full legal right, power, and authority to deliver this Agreement and to perform the Member's obligations hereunder;

(b) This Agreement constitutes the legal, valid, and binding obligation of the Member enforceable in accordance with its terms, except as the enforcement thereof may be limited by bankruptcy and other laws of general application relating to creditors' rights or general principles of equity;

(c) This Agreement does not violate, conflict with, result in a breach of the terms, conditions or provisions of, or constitute a default or an event of default under any other agreement of which the Member is a party; and

(d) The Member's investment in Interests in the Company is made for the Member's own account for investment purposes only and not with a view to the resale or distribution of such interest.

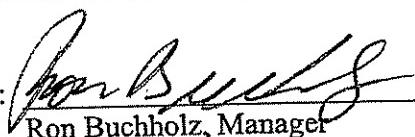

13.11 Sole and Absolute Discretion. Except as otherwise provided in this Agreement, all actions that the Manager may take and all determinations that the Manager may make pursuant to this Agreement may be taken and made at the sole and absolute discretion of the Manager.

13.12 Counterparts. This Agreement may be executed in one or more counterparts each of which shall for all purposes be deemed an original and all of such counterparts, taken together, shall constitute one and the same Agreement.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date first set forth above.

APPENDIX 1

SPECIAL TAX AND ACCOUNTING PROVISIONS

A.1 Accounting Definitions. The following terms, which are used predominantly in this Appendix 1, shall have the meanings set forth below for all purposes under this Agreement.

“Adjusted Capital Account Balance” means, with respect to any Member, the balance of such Member’s Capital Account as of the end of the relevant year, after giving effect to the following adjustments:

(a) Credit to such Capital Account any amounts which such Member is obligated to restore pursuant to this Agreement or as determined pursuant to Regulations Section 1.704-1(b)(2)(ii)(c), or is deemed to be obligated to restore pursuant to the penultimate sentences of Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5); and

(b) Debit to such Capital Account the items described in clauses (4), (5) and (6) of Section 1.704-1(b)(2)(ii)(d) of the Regulations.

The foregoing definition of Adjusted Capital Account Balance is intended to comply with the provisions of Section 1.704-1(b)(2)(ii)(d) of the Regulations and shall be interpreted consistently therewith.

“Capital Account” means, with respect to any Member or other owner of Interests in the Company, the Capital Account maintained for such Person in accordance with the following provisions:

(a) To each such Person’s Capital Account, there shall be credited the amount of money and the initial Gross Asset Value of the such Person’s Capital Contributions as determined by the Manager, such Person’s distributive share of Profits and any items in the nature of income or gain that are specially allocated pursuant to Sections A.2 and A.3 hereof, and the amount of any Company liabilities assumed by such Person;

(b) To each such Person’s Capital Account there shall be debited the amount of cash and the Gross Asset Value of any Company property distributed to such Person pursuant to any provision of this Agreement as determined by the Manager, such Person’s distributive share of Losses, and any items in the nature of expenses or losses that are specially allocated pursuant to Sections A.2 and A.3 hereof, and the amount of any liabilities of such Person assumed by the Company;

(c) In the event any Interest or portion thereof (or other equity interest in the Company) is transferred in accordance with the terms of this Agreement, the transferee shall succeed to the Capital Account of the transferor to the extent it relates to the transferred interest;

(d) Section 752(c) of the Code shall be applied in determining the amount of any liabilities taken into account for purposes of this definition of "Capital Account"; and

(e) The foregoing provisions and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Sections 1.704-1(b) and 1.704-2 of the Regulations and shall be interpreted and applied in a manner consistent with such Regulations. The Manager may modify the manner of computing the Capital Accounts or any debits or credits thereto (including debits or credits relating to liabilities that are secured by contributed or distributed property or that are assumed by the Company or any Member) in order to comply with such Regulations, provided that any such modification is not likely to have a material effect on the amounts distributable to any Member pursuant to Section 12.2 upon the dissolution of the Company. Without limiting the generality of the preceding sentence, the Manager shall make any adjustments that are necessary or appropriate to maintain equality between the aggregate sum of the Capital Accounts and the amount of capital reflected on the balance sheet of the Company, as determined for book purposes in accordance with Section 1.704-1(b)(2)(iv)(g) of the Regulations. The Manager shall also make any appropriate modifications if unanticipated events (for example, the availability of investment tax credits) might otherwise cause this Agreement not to comply with Regulations Section 1.704-1(b).

"Company Minimum Gain" has the same meaning as the term "partnership minimum gain" under Regulations Section 1.704-2(d) of the Regulations.

"Depreciation" means, for each year or other period, an amount equal to the depreciation, amortization or other cost recovery deduction allowable with respect to an asset for such year or other period, except that if the Gross Asset Value of an asset differs from its adjusted basis for federal income tax purposes at the beginning of such year or other period, Depreciation shall be an amount that bears the same ratio to such beginning Gross Asset Value as the federal income tax depreciation, amortization or other cost recovery deduction for such year or other period bears to such beginning adjusted tax basis; provided, however, that if such depreciation, amortization or other cost recovery deductions with respect to any such asset for federal income tax purposes is zero for any year, Depreciation shall be determined with reference to the asset's Gross Asset Value at the beginning of such year using any reasonable method selected by the Manager.

"Gross Asset Value" means, with respect to any asset, the asset's adjusted basis for federal income tax purposes, except as follows:

(a) The initial Gross Asset Value for any asset (other than money) contributed by a Member to the Company shall be as determined by the Manager and the contributing Member;

(b) The Gross Asset Value of all Company assets shall be adjusted to equal their respective gross fair market values, as determined by the Manager as of the following times: (i) the acquisition of additional Interest in the Company by any new or existing Member in exchange for more than a *de minimis* Capital Contribution; (ii) the distribution by the

Company to a Member of more than a *de minimis* amount of cash or property as consideration for Interest in the Company, if (in any such event) such adjustment is necessary or appropriate, in the reasonable judgment of the Manager, to reflect the relative economic interests of the Members in the Company; or (iii) the liquidation of the Company for federal income tax purposes pursuant to Regulations Section 1.704-1(b)(2)(ii)(g);

(c) The Gross Asset Value of any Company asset distributed to any Member shall be adjusted to equal its gross fair market value on the date of distribution;

(d) The Gross Asset Value of the Company's assets shall be increased (or decreased) to reflect any adjustments to the adjusted basis of such assets pursuant to Code Section 734(b) or Code Section 743(b), but only to the extent that such adjustments are taken into account in determining Capital Accounts pursuant to Regulation Section 1.704-1(b)(2)(iv)(m) and Section A.2(g) hereof; provided, however, that Gross Asset Values shall not be adjusted pursuant to this subsection (d) to the extent that an adjustment pursuant to subsection (b) of this definition is necessary or appropriate in connection with a transaction that would otherwise result in an adjustment pursuant to this subsection (d); and

(e) If the Gross Asset Value of an asset has been determined or adjusted pursuant to subsection (a), (b) or (d) above, such Gross Asset Value shall thereafter be adjusted by the Depreciation taken into account from time to time with respect to such asset for purposes of computing Profits and Losses.

"Member Nonrecourse Debt" has the same meaning as the term "partner nonrecourse debt" under Section 1.704-2(b)(4) of the Regulations.

"Member Nonrecourse Debt Minimum Gain" has the same meaning as the term "partner nonrecourse debt minimum gain" under Section 1.704-2(i)(2) of the Regulations and shall be determined in accordance with Section 1.704-2(i)(3) of the Regulations.

"Member Nonrecourse Deductions" has the same meaning as the term "partner nonrecourse deductions" under Regulations Section 1.704-2(i)(1). The amount of Member Nonrecourse Deductions with respect to a Member Nonrecourse Debt for each Fiscal Year of the Company equals the excess (if any) of the net increase (if any) in the amount of Member Nonrecourse Debt Minimum Gain attributable to such Member Nonrecourse Debt during such Fiscal Year over the aggregate amount of any distributions during such Fiscal Year to the Member that bears the economic risk of loss for such Member Nonrecourse Debt to the extent that such distributions are from the proceeds of such Member Nonrecourse Debt which are allocable to an increase in Member Nonrecourse Debt Minimum Gain attributable to such Member Nonrecourse Debt, determined in accordance with Section 1.704-2(i)(2) of the Regulations.

"Nonrecourse Debt" or "Nonrecourse Liability" has the same meaning as the term "nonrecourse liability" under Section 1.704-2(b)(3) of the Regulations.

"Nonrecourse Deductions" has the meaning set forth in Section 1.704-2(b)(1) of the Regulations. The amount of Nonrecourse Deductions for a Company Fiscal Year equals the excess (if any) of the net increase (if any) in the amount of Company Minimum

Gain during that Fiscal Year over the aggregate amount of any distributions during that Fiscal Year of proceeds of a Nonrecourse Debt that are allocable to an increase in Company Minimum Gain, determined according to the provisions of Section 1.704-2(c) of the Regulations.

"Profits" or "Losses" means, for each Fiscal Year or other period, the taxable income or taxable loss of the Company as determined under Code Section 703(a) (including in such taxable income or taxable loss all items of income, gain, loss or deduction required to be stated separately pursuant to Section 703(a)(1) of the Code) with the following adjustments:

(a) All items of gain or loss resulting from any disposition of the Company's property shall be determined upon the basis of the Gross Asset Value of such property rather than the adjusted tax basis thereof;

(b) Any income of the Company that is exempt from federal income tax shall be added to such taxable income or loss;

(c) Any expenditures of the Company that are described in Code Section 705(a)(2)(B), or treated as such pursuant to Regulations Section 1.704-1(b)(2)(iv)(i), and that are not otherwise taken into account in the computation of taxable income or loss of the Company, shall be deducted in the determination of Profits or Losses;

(d) If the Gross Asset Value of any Company asset is adjusted pursuant to subsection (b) or (c) of the definition of "Gross Asset Value" set forth in this Appendix 1, the amount of such adjustment shall be taken into account as gain or loss from the disposition of such asset for purposes of computing Profits or Losses unless such gain or loss is specially allocated pursuant to Section A.2 hereof;

(e) In lieu of the depreciation, amortization, and other cost recovery deductions taken into account in determining such taxable income or loss, there shall be deducted Depreciation, computed in accordance with the definition of such term in this Appendix 1; and

(f) Notwithstanding any of the foregoing provisions, any items that are specially allocated pursuant to Section A.2 or A.3 hereof shall not be taken into account in computing Profits or Losses.

A.2 Special Allocations. The allocation of Profits and Losses for each Fiscal Year shall be subject to the following special allocations in the order set forth below:

(a) Company Minimum Gain Chargeback. If there is a net decrease in Company Minimum Gain for any Fiscal Year, each Member shall be specially allocated items of income and gain for such year (and, if necessary, for subsequent years) in an amount equal to such Member's share of the net decrease in Company Minimum Gain during such year, determined in accordance with Regulations Section 1.704-2(g)(2). Allocations pursuant to the preceding sentence shall be made among the Members in proportion to the respective amounts required to be allocated to each of them pursuant to such Regulation. The items to be so allocated shall be determined in accordance with Regulations Section 1.704-2(f)(6). Any special

allocation of items of Company income and gain pursuant to this Section A.2(a) shall be made before any other allocation of items under this Appendix 1. This Section A.2(a) is intended to comply with the "minimum gain chargeback" requirement in Regulations Section 1.704-2(f) and shall be interpreted consistently therewith.

(b) Member Nonrecourse Debt Minimum Gain Chargeback. If there is a net decrease during a Fiscal Year in the Member Nonrecourse Debt Minimum Gain attributable to a Member Nonrecourse Debt, then each Member with a share of the Member Nonrecourse Debt Minimum Gain attributable to such debt, determined in accordance with Regulations Section 1.704-2(i)(5), shall be specially allocated items of income and gain for such year (and, if necessary, subsequent years) an amount equal to such Member's share of the net decrease in the Member Nonrecourse Debt Minimum Gain attributable to such Member Nonrecourse Debt, determined in accordance with Regulations Section 1.704-2(i)(4). Allocations pursuant to the preceding sentence shall be made among the Members in proportion to the respective amounts to be allocated to each of them pursuant to such Regulation. Any special allocation of items of income and gain pursuant to this Section A.2(b) for a Fiscal Year shall be made before any other allocation of Company items under this Appendix 1, except only for special allocations required under Section A.2(a) hereof. The items to be so allocated shall be determined in accordance with Regulations Section 1.704-2(i)(4). This Section A.2(b) is intended to comply with the provisions of Regulations Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(c) Qualified Income Offset. If any Member receives any adjustments, allocations, or distributions described in clauses (4), (5) or (6) of Regulations Section 1.704-1(b)(2)(ii)(d), items of income and gain shall be specially allocated to each such Member in an amount and manner sufficient to eliminate as quickly as possible, to the extent required by such Regulation, any deficit in such Member's Adjusted Capital Account Balance, such balance to be determined after all other allocations provided for under this Appendix 1 have been tentatively made as if this Section A.2(c) were not in this Agreement.

(d) Gross Income Allocation. In the event any Member has a deficit Capital Account at the end of any Fiscal Year which is in excess of the sum of (i) the amount (if any) such Member is obligated to restore pursuant to any provision of this Agreement, and (ii) the amount such Member is deemed to be obligated to restore pursuant to the penultimate sentences of Sections 1.704-2(g)(1) and 1.704-2(i)(5) of the Regulations, each such Member shall be specially allocated items of income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this Section A.2(d) shall be made only if and to the extent that such Member would have a deficit Capital Account in excess of such sum after all other allocations provided for in this Appendix 1 have been made as if Section A.2(c) hereof and this Section A.2(d) were not in the Agreement.

(e) Nonrecourse Deductions. Nonrecourse Deductions for any Fiscal Year or other period shall be specially allocated to the Members in accordance with their Percentage Interests.

(f) Member Nonrecourse Deductions. Member Nonrecourse Deductions for any Fiscal Year or other period shall be specially allocated, in accordance with

Regulations Section 1.704-2(i)(1), to the Member or Members who bear the economic risk of loss for the Member Nonrecourse Debt to which such deductions are attributable.

(g) Code Section 754 Adjustments. To the extent an adjustment to the adjusted tax basis of any Company asset under Code Section 734(b) or 743(b) is required to be taken into account in determining Capital Accounts pursuant to Regulations Section 1.704-1(b)(2)(iv)(m), the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis), and such gain or loss shall be specially allocated to the Members in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to such section of the Regulations.

A.3 Curative Allocations. The allocations set forth in subsections (a) through (g) of Section A.2 hereof ("Regulatory Allocations") are intended to comply with certain requirements of Regulations Sections 1.704-1(b) and 1.704-2. Notwithstanding any other provisions of this Appendix 1 (other than the Regulatory Allocations and the next two (2) following sentences), the Regulatory Allocations shall be taken into account in allocating other Profits, Losses and items of income, gain, loss and deduction among the Members so that, to the extent possible, the net amount of such allocations of other Profits, Losses and other items and the Regulatory Allocations to each Member shall be equal to the net amount that would have been allocated to each such Member if the Regulatory Allocations had not occurred. For purposes of applying the preceding sentence, Regulatory Allocations of Nonrecourse Deductions and Member Nonrecourse Deductions shall be offset by subsequent allocations of items of income and gain pursuant to this Section A.3 only if (and to the extent) that: (a) the Manager reasonably determines that such Regulatory Allocations are not likely to be offset by subsequent allocations under Section A.2(a) or Section A.2(b) hereof, and (b) there has been a net decrease in Company Minimum Gain (in the case of allocations to offset prior Nonrecourse Deductions) or a net decrease in Member Nonrecourse Debt Minimum Gain attributable to a Member Nonrecourse Debt (in the case of allocations to offset prior Member Nonrecourse Deductions). The Manager shall apply the provisions of this Section A.3, and shall divide the allocations hereunder among the Members, in such manner as will minimize the economic distortions upon the distributions to the Members that might otherwise result from the Regulatory Allocations.

A.4 General Allocation Rules.

(a) In the event Members are admitted to the Company on different dates during any year, the Profits (or Losses) allocated to the Members for each such year shall be allocated among the Members in proportion to the Interests that each Member holds from time to time during such year in accordance with Code Section 706, using any convention permitted by law and selected by the Manager.

(b) For purposes of determining the Profits, Losses or any other items allocable to any period, Profits, Losses and any such other items shall be determined on a daily, monthly or other basis, as determined by the Manager using any method permissible under Code Section 706 and the Regulations thereunder.

(c) For purposes of determining the Members' proportionate shares of the "excess nonrecourse liabilities" of the Company within the meaning of Regulations Section 1.752-3(a)(3), their respective interests in Member profits shall be in the same proportions as their Percentage Interests.
